Application Guidance

Creative Encounters SHORTS
Application Form – Creatives

Please apply only if you would be able to commit and dedicate time to co-develop the project with a researcher/research team from late-June 2023 to November 2023

All sections of the application should be filled and submitted latest by **5 pm on 16 June 2023**.

IMPORTANT: Please note that the application must be filled in one session. The form does not have a "save and return later" option. If you end your session without completing the form with your final answers, you won't be able to return to it. We recommend looking at the pdf document of the application available here to prepare all the answers and documents required in advance and start filling this form once ready to submit.

If shortlisted, we will contact you by 21 June 2023.

The creatives passing the final selection will have to attend an introduction meeting with the creative(s) at a suitable time between 19 - 30 June 2023 where they will sign final collaboration agreements.
